

Dear Parents,

We would like to take the opportunity to welcome your child to Kindergarten. In order to get off to a good start we would like each student to have the following supplies. Please label all the supplies, folders, and notebooks with your child's first and last name. Label the outside of the bag with your child's name and class. Please understand some items will be shared as a class. Each class will store your child's supplies so a pencil box/ case will not be needed. Thank you for your cooperation.
