Dear Families,

Your student can continue learning over the summer with i-Ready! Help prevent your child from sliding back in all that they have learned this year by logging at least 20 sessions of i-Ready over the summer. Any child who completes 20 or more sessions will get a prize in September. Please return the form below verifying that your child logged during the break. Thank you for supporting your child over the summer!

Best,

Feiga Mandel
Mrs. Mandel

My child _____, logged at least 20 sessions on i-Ready over the summer!
